

NPM Professional Excellence programme to June 2021

The Professional Excellence Programme builds on NPM's goals to:

1. Increase our early career researchers' skills in research excellence and career opportunities; and
2. Enhance and harness the Māori researcher excellence in research, research leadership, and supervision across all levels.

It also aligns with NPM's four values of rangatiratanga, kaitiakitanga, manaakitanga and whanaungatanga by ensuring that the programme helps Māori researchers to:

1. Apply effective strategies for self-management and leadership in research (Rangatiratanga)
2. Identify opportunities and approaches to enhance wellbeing and balance in relation to research (Kaitiakitanga)
3. Apply research activities and outputs in ways that are inclusive and respectful (Manaakitanga)
4. Create and/or consolidate a supportive Māori research community/cohort (Whanaungatanga)

The programme of weekly online Professional Excellence workshops/panels will be held on zoom at <https://vuw.zoom.us/j/2690018943> as follows:

10am-11am, 12 May 2021	Panel: Supervising Māori students and topics ¹ - With Jenny Lee-Morgan & Anaru Eketone
10am-11am, 19 May 2021	Panel: Using te reo Māori in research - With Rawinia Higgins & Vini Olsen-Reeder
10am-11am, 26 May 2021	Workshop: How to review and be reviewed ² - Facilitated by Meegan Hall
9am-10am*, 2 June 2021 <i>*Note earlier time</i>	Panel: Koha and research practice - With Peter Adds and Jason Mika
10am-11am, 9 June 2021	Workshop: Developing your research CV - Facilitated by Meegan Hall

Marketing for the sessions will be through the NPM email list and website and feature the session title, date, abstract and speakers. Participants will be able to register through the NPM website and a reminder email will be sent before each session.

Following each online workshop/panel, a web resource will be developed for the NPM Media Centre to enable the material to be shared more widely across the NPM community. The web material will include:

- The session title, date, abstract and speakers
- A link to a recording of the session
- A link to any relevant info from
